VISION of needs to better our ways:
Insight to see the patterns take mold,
Sites and sizes for work to be done,
Improvements beneficial for years to come.
Old walls shall vanish; narrow ways, expand;
New shapes take form, to make Washington grand.

RECONSTRUCTION follows vision in full force:
Evacuating and storing are first on the list;
Collecting machines, tools, ladders, and even cement,
Or demolishing walls to the "nth" of an inch;
Now expert workers appear on the scene
So careful in following blue prints and forms.
The six model kitchens sparkling bright,
Reception rooms for teachers and students alike —
Under back-breaking strain minus elevator shaft
Carrying debris amid deafening din, dirt, and dust —
Thus the old order changeth, yielding place to new
In line with the patterns laid out in the plan.
Old shelves, old lockers are things of the past;
New gyms, spacious library show **PROGRESS** at last.

DEDICATION

B. B. BURLING

Vice-Principal

We, as representatives of the student body and faculty, earnestly unite to pay tribute to one man among us who deserves much esteem and recognition. Mr. B. B. Burling began his golden service to our school seventeen years ago, when he left Boys' Tech to be elevated to the position of Vice-Principal of Washington High School. Even before this, he was helping many would-be engineers to find the square upon the hypotenuse at James Millikan University and the University of Wisconsin in Milwaukee. In 1915 he helped to organize Washington High's electrical equipment. Realizing the importance of a good pension system, he served for many years as President of the Pension Board of the Milwaukee Public School Teachers — championing their cause. Thus we pay tribute to this worthy teacher and capable administrator.

"A friend in need is a friend indeed." How well this quotation applies to this quiet voiced man who has helped us solve so many of our problems. He has shown a personal interest in all students: each semester, after he had adjusted the schedule of classes, he would give of his time to re-arrange the program of each individual who was in need. He has been an understanding friend to whom all could come. Through his friendly counselling we have learned to face our personal problems and to exercise control in becoming masters of ourselves. Though these seventeen years have flown as swiftly as birds who seek their destination, we are sure they have brought the joy of fulfillment to a rich life. So it is to you, Mr. Burling, that we dedicate this yearbook, and hope it conveys our heartiest appreciation and best wishes for future happiness to a great man in a great school.

IN MEMORIAM

For more than three decades Mr. Harry O'Neil was an English teacher at Washington High School. Through his vast knowledge of English literature, he developed in his students an appreciation for this splendid heritage. Also, being a native of New England, he was able to stimulate an atmosphere of Early American Life into his classroom discussions. Washington owes a great debt to Mr. O'Neil, for it was he who wrote "The Efficient Pupil," reprinted in our *Handbook,* and who in 1923 organized the school band, which he directed for many years. He was recognized throughout the city as an expert trumpet player, having been featured as a soloist in the "Music Under the Stars" concerts. Through his ardent interest in spelling and his friendly, sincere service, the memory of Mr. O'Neil will live in the annals of our school.

H. D. O'NEIL

IN TRIBUTE

We say "Au revoir" but not "Goodbye" to these well loved teachers who have passed through the portals of our school and are now enjoying lives of leisure. During the past year we have missed their smiling faces and kind words and have come to realize how much of an inspiration and example they have been to us. Washingtonians will not soon forget the outstanding service of these veteran teachers.

Many an engineer and architect has been grateful to Mr. Edward Berg for the skill acquired in mechanical drawing and metal work. His name will always be remembered as the composer of our *Fight Song* and the football specialty *Bless Them All,* as well as our *Alma Mater.* All Tonians sincerely join in wishing him many happy days of pleasure in his garden, of which he is so proud.

The prom ceremonies with their processional, court of honor, and crowning of the King and Queen were first developed under the direction of Mrs. Alma Boundey. For years she was the faculty chairman of auditorium programs and assistant director of the Washington Players. Through her personal interest in her students she shared liberally of her rich cultural background. May she enjoy many more years of extensive reading and travel!

With the disappearance of Room 210 last June went also the cheerful smile and witty tongue of Mr. Guy T. Cook, the homeroom teacher. His friendliness tempered with discipline combined to make reasoning and exactness his trademark in the teaching of congruent triangles and the sum of $x + y$. May his new Chevrolet take him to Florida and many other favorite spots in the U.S.A.!

The 3:10 bell has just rung, and ardent Alphaneans are on their way to 102 for another enjoyable meeting. Alphanea, which is directed by the Misses Mary Jane Ryan and M. Louise Schmidt, meets every other Wednesday. Included in the programs, all planned and presented by the members, are demonstrations, radio plays, choric speaking, various skits, and extempore speeches. Some interesting panel subjects were "Parent-Teacher, Parent-Student Relations" and "What America Can Do about Juvenile Delinquency." Valuable experience is gained from writing, directing, and participating in these various programs. Through their membership "Alphs" strive to develop good leadership, character, and personality. The interesting programs and well-rounded entertainment tend to make Alphanea one of Washington's most popular organizations.

Since the Lincoln Forensic Society has "Honest Abe" as its patron, the club strives to live up to its name. Under the capable direction of Miss Anna Porter and Mrs. Marion Kirby, its panels, debates, and humorous skits keep its members entertained and well informed. A special occasion, "The Silver Anniversary," honored Miss Evelyn Purdy, advisor to the society for twenty-five years. Subjects important to any student of any age — "The Causes and Remedies of Cheating" and "The Problem of Race Segregation in Public Schools" — presented lively discussions. Take-offs on recent T.V. panel shows and an old-fashioned melodrama provided humor. A panel of graduating seniors reviewed their experiences at Washington. Such varied programs combined much enjoyment and well-rounded knowledge of current events.

Here at Washington, the purple "P" on the gold card worn by many Tonians on alternate Thursdays, announces that another enjoyable Philo meeting is scheduled. Under the guidance of Miss C. Hazel Handt and Mr. Walter Candy, the interesting programs consist of informative panels, spirited debates, varied musical selections, and radio plays. Such topics as "Should the Voting Age Be Lowered to Eighteen Years?" and "Should Congress Enact a Federal Sales Tax?" were discussed. A mixer at the beginning of each semester welcoming new members and another at the end honoring fellow graduates were especially enjoyed by all Philomatheans. The variety of worthwhile programs and the true friendliness of the members have made each meeting a "must" in a Philo's three years at Washington.

Dramatically inclined Washingtonians get together every other Thursday under the direction of Mr. Harris Lubenow and Mrs. Ruth Reimann. At these meetings, the members put on workshop performances. The material for many of these plays was taken from the works of Shakespeare. Often the entire school is entertained by the Players at convocations, such as pep rallies, community sings, and seasonal commemorative programs. Experiences like these are invaluable to the members, not only in acting but in observing the behind-the-scenes activities of costuming, lighting, and general production. The climax of each year's activities is the Spring Play. This year's selection, "Mother Is a Freshman," was another success that served both to delight the audience and inspire all participants.

"Die Versammlung des deutschen Vereins ist hiermit eroffnet," says Mr. Waldemar Groth, "is the way that each meeting of our German Club is called to order." There follows a varied program of music, singing, and films, all planned by the members. Students become better acquainted with life in Germany through these interesting and informative programs. German recreational games serve as part of the regular social period, and the business meeting is conducted in German. Truly, the German I students face a challenge in trying to understand what is being said! The fall semester culminates with a Christmas party, while the spring semester is highlighted by the All-Language Club Mixer, a perfect ending to a perfect year.

If you are one who thinks that Latin is a dead language, you certainly have never attended a meeting of the Latin Club. Every other Tuesday, under the excellent supervision of Mr. H. Gudwin Johnson, the members of "Societas Latina" relive the adventures of early Romans in the form of radio plays, skits, and pantomimes. During the past year such features as word scrambles, films of modern Italy, and the singing of Latin versions of familiar carols have appeared on programs. Each semester is highlighted with an enjoyable senior farewell mixer. The traditions of "Old Rome" brought to life in this organization are thoroughly enjoyed by each and every member. Truly Latin relives in the vocabulary of the youth who joins Societas Latina.

Since French has become so popular at Washington, many students of this beautiful romance language have joined the French Club as an enjoyable supplement to their class work. "Le Cercle Francais," Washington's newest foreign language club, was reorganized in September, 1952. The meetings, formerly held during the class period, are now conducted after school under the direction of Miss Lorna Murphy. Their varied and interesting activities have included the singing of the French song "La Parapluie" ("The Umbrella"), readings, and an original skit entitled "La Promenade en Autobus" ("The Bus Ride"). The traditional mixer terminates each semester's activities. Through this organization, members have been able to obtain a greater concept and appreciation of the customs and traditions of the French people.

The reputation of Washington's A Capella Choir is a credit to the school, for it is an organization of which all Tonians are proud. Each afternoon during the sixth hour, the choir sends forth strains of beautiful melodies which are both professionally arranged and sung by the one hundred choir members, who have learned to blend their voices to the best advantage. They also learn the fundamentals of uniform choral techniques and exercises for their vocal muscles. The choir, under the very able direction of Mr. Louis Goodrich, diligently rehearses each afternoon for its many outstanding appearances before the school and outside engagements.

Adorned in their new purple and gold robes, the choir has appeared in many performances which this year have taken them throughout the state, including trips to Madison and Sheboygan. Singing for the Kiwanis Club, Wisconsin Teachers' Convention, National Secondary Principals' Convention, and the Wauwatosa United Brethren Church has kept the choir very busy. Their annual winter and spring concerts attracted capacity crowds at Washington. The greatest thrill came when the choir was asked to make recordings to be sent overseas by the Red Cross. Truly, the choir this year has maintained, if not surpassed, the reputation of former Tonian choirs.

VARSITY FOOTBALL

Under Coach Polczynski's leadership in his first year as varsity coach, Washington won seven of its eight games and emerged from the City conference on top to share the championship with Pulaski.

WASHINGTON 32 — EAST 6

Unveiling a new passing attack, along with the usual ground power and a crushing defense, Washington rolled over East 32 to 6. Fred Weber connected on three touchdown passes with Chuck Blackbourn, Dick Henske, and Ron Kjos. To show their ability on the ground, the Purple sent Blackbourn on a neat 70-yard touchdown jaunt. In the fourth quarter an aerial from John Roberts to Don Olsen accounted for the final goal.

WASHINGTON 53 — KING 7

Coach Ray Polczynski's boys started their scoring immediately and found little trouble in trampling King 53 to 7. Using the key blocking furnished by Washington's big line, Chuck Blackbourn and Ron Kjos scored on passes from Weber and also carried the ball over along with John Roberts, Bob Prossen, and Mickey McGrath. Bill Doughty did the extra point kicking.

WASHINGTON 18 — SOUTH 0

Purgold passing sparked by Weber, and blocking, led by Streich, Fox and Allie, helped defeat the South Cardinals 18 to 0. The Cardinals' defense seemed helpless as the Boulevarders pounded out 263 yards rushing and 75 yards passing. The first marker came on a 21-yard pass, Weber to Kjos. The second quarter found our team on the South 29-yard line from which Blackbourn sprinted through left tackle for a score. Fighting over from the one-foot line, Weber carried the final touchdown.

WASHINGTON 13 — WEST 0

Beating West 13 to 0 gave Washington its seventeenth straight homecoming victory and also sole possession of first place in the city conference. After a long pass from Weber to Dick Henske, Prossen plowed his way through West's line for the first score. Blackbourn, after working the ball down to the two-yard line on a pass from Weber, plunged over on the next play which completed the scoring.

VARSITY BACKFIELD

Top Row: Coach Polczynski, J. Frey, F. Weber, J. Koch, R. Kjos, J. Roberts, I. Arbiture, G. Nolan, R. Prossen, D. Gershaw.
Second Row: J. Fontain, J. Maurer, J. Richter, D. Evenson, G. Heideman, R. Gershaw.
First Row: D. Olsen, M. McGrath, C. Blackbourn, R. Olsen.

WASHINGTON 50 — LINCOLN 0

Sparked by Jim Maurer's 92-yard touchdown run, the Purple found it easy to crush Lincoln 50 to 0. Maurer scored later in the game along with John Richter, who also scored twice. Erv Arbiture and Blackbourn were able to run the ball across to boost the total to 43 to 0. Henske scampered over on a pass from Weber. The final tally came from Bill Minardi who pounded his way from the three-yard line.

WASHINGTON 26 — CUSTER 0

A hard charging line with a fast and alert backfield beat Custer 26 to 0. Kjos scored twice, once after Prossen and Richter had worked the ball down to the three-yard line from where Kjos planted the ball over the goal, and a second time on a pass from Weber. Prossen connected for two markers also; an intercepted pass and a completed aerial from Weber. Bob Felber, a reserve halfback booted the conversions.

WASHINGTON 2 — TECH 12

The unexpected upset in which Washington lost to Tech 2 to 12 threw the City championship into a three way tie which was played off the following week between Tech and Pulaski. The Purple's only two points came when Tech fumbled and Dave Owen fell on the ball behind the goal for a safety.

WASHINGTON 59 — NORTH 6

In the last game of the conference, Washington rolled over North 59 to 6 to give them a berth with Pulaski for the City championship. Chuck Blackbourn again led the Purple's scoring. Charging over from the one-yard line accounted for two of his scores. The third one came on a pass from Weber. Fred also connected with Art Pinnow for two tallies. Ralph Erdman, taken from his line position, was slipped into the halfback spot where he broke away for a touchdown. Bob Prossen, Jim Maurer, and John Richter also chalked-up scores for the Tide. Bill Doughty, taken from the injury list, booted four extra points.

ALL-CITY HONORS

The All-City Team, picked by conference coaches, posted five of Washington's championship team as members. Dave Owen, captain, was placed in a tackle position. Also in the line was end Art Pinnow. Chuck Blackbourn, high scorer for Washington, was given a halfback spot. Ralph Erdman, who was picked for the All-State team landed a tackle position on the All-City second team along with quarter-back Fred Weber.

Bernard Fox, Dave Owen, Art Pinnow, and Fred Weber were chosen for the All-City team picked by the football players in the conference. Bob Prossen, next year's captain, and Chuck Blackbourn gained places on this All-City second team.

Later in the season, it was announced that Washington's tackle, Ralph Erdman, was given a tackle position on the All-American High School football team.

B SEASON

The B team won their opening game from a strong Marquette eleven by the score of 6-0. The game was scoreless until the last few minutes when Chuck Edwards scored on a 52-yard run.

The B Purgolders had little trouble in beating South 27-0. Scoring for Washington were Bill Minardi, Bob Hackbarth, and Darrel Evertt. Bob Felber converted the extra points.

Fighting for their third straight victory, the B team snuffed out Shorewood 19-0. Chuck Edwards, Kurt Van Engle, and Darrel Everett scored for Washington. Bob Felber kicked the extra point.

Losing their last game to the team they had won their first game from, the B team concluded their 1953 season with a record of three wins and one loss.

B FOOTBALL

SOPH SEASON

Sparked by brilliant passing and running, the sophomore team edged out Don Bosco 13 to 6. John Swanson scored on a pass from Dan Maddigan. Steve Fountain and Ray Stahl moved the ball downfield where Dan Maddigan scored from the two.

Pepped up after their first win, the soph gridders rolled over the Eastmen by the score of 12 to 0. Hard running by Russel Johnston accounted for the two touchdowns.

In spite of a bad start against Tosa, the Tonian sophs had little trouble in beating them 14 to 0. A pass from Dan Maddigan to Bob Zeeb and one from Bob Cherner to Bob Zeeb accounted for their two scores.

Hoping to keep their winning streak going, the soph gridders shut out West 12 to 0. Scoring for Washington were Ray Stahl, who carried from the one and Irv Hansen on an intercepted pass.

Battling for their fifth victory the soph Purgolders invaded Rufus King, beating them 19 to 6. Russel Johnston, Dan Maddigan, and George Koch scored for Washington.

The Tonian sophs took the 1953 Milwaukee grid crown by defeating North 21 to 6. Hard running by Steve Fountain, Russ Johnston, and Harry Confare resulted in three touchdowns.

CROSS COUNTRY

Coached by Chet Trost, the 1953 Cross Country team again closed another very successful season. They remained undefeated in their four conference meets and took an impressive first place in the City Meet. The team wound up their season by taking a second in the State meet, finishing closely behind Wauwatosa. A good showing by the sophomores and juniors at the State meet gave hope for another championship the following year.

The Purgold swimming team compiled an excellent record during their first season coached by Tom Champion. The team captured five out of six dual meets and a fourth place in the City Relays. In the Little City Meet, Adolph Rebensburg set a new record for the 75-yard individual medley. He also gained membership on the All-State swimming team. This year's team consisted of nearly all juniors and sophs, thus Coach Champion will have valuable experience for next year's squad.

Under the direction of Coach Ruehl, another successful season was achieved by the 1953-1954 basketball squad.

A well spirited and evenly balanced team was spearheaded by co-captains Irv Arbiture and Jerry Koch, the latter attaining second team All-City honors. They were supported by speedy guards John Roberts, Ray Nemoir, and Ralph Koeper. Rounding out the team were alert center Tom Gilbert and forward Gordon Pierce, who stepped into the vacant spot after Arbiture's mid-year graduation.

Leading the scoring attack was Irv Arbiture with 18.5 points per game average. Second to him came Gordy Pierce with an average of 14.3 points per game. Jerry Koch, tenth in the city for total points, led the Tonian cagers with 157 points.

The Washington track squad emerged victoriously from the 1953 track season under Coach Ahl, who led the tracksters to an unblemished city-conference record and a fourth place in the State Meet.

By placing third and fourth in two indoor meets the squad opened their season. The following conference meets were sweeping victories won by a strong Washington track squad.

The Ahlmen not only won the North Sectional Relays, but also broke a number of records. The two mile relay team consisting of Dick Olsen, Ken Renning, Larry Schaleger, and Clarence Weisflog bettered the old record with a run of 8:39.6. Dave Owen breaking the individual shot-put record with a put of 49 feet 10 inches, led the rest of the team, Bill Doughty, Jon Klotz, and Ralph Erdman to a new team average of 46 feet 8½ inches. At the City-Meet Owen set another new shot-put record by a put of 54 feet 11½ inches.

GIRLS' ATHLETIC ASSOCIATION

J. Cash, Miss Mary E. Dillon, C. Schwartzburg, B. Bloom.

Girls' Athletic Association (G. A. A.) is a gathering of girls who like sports and want to participate in a variety of individual and team activities.

During the first half of the year, G. A. A. was handicapped by construction work and remodeling being done in the gym; but girls still came in to enjoy activities such as golf, tennis, badminton, table tennis, basketball, and checkers.

This last semester was an eventful one, bringing many girls to participate in volleyball, track, baseball, and swimming.

Girls of all types gather together with their able director, Miss Mary E. Dillon, and have a wonderful time competing in good clean fun.

Besides learning good sportsmanship and meeting many new friends in G. A. A., girls learn to further the development of their skills and keep themselves active.

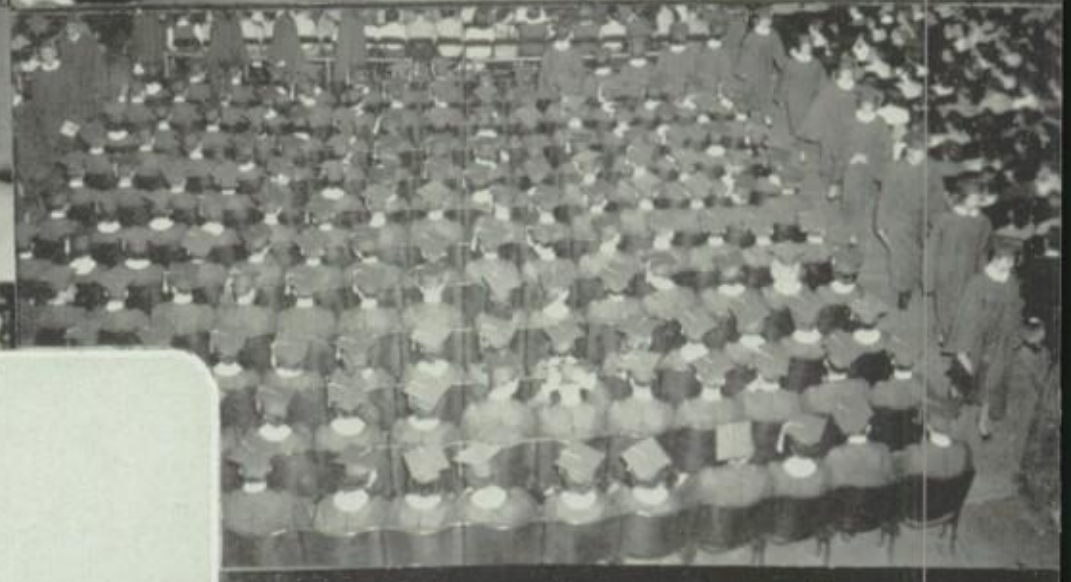
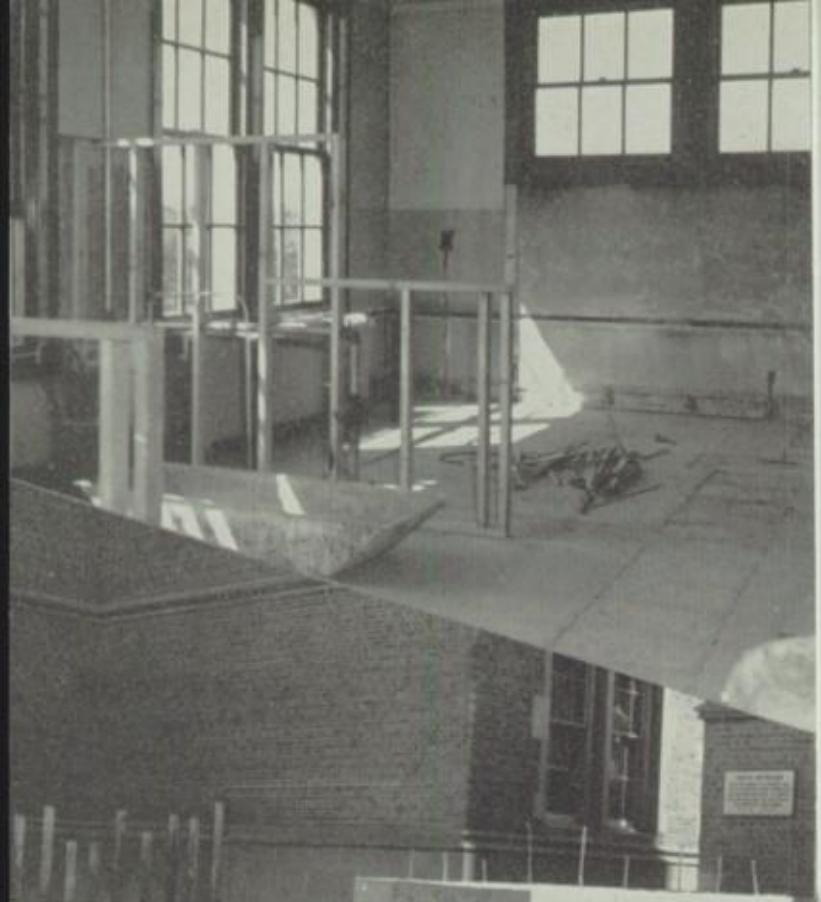
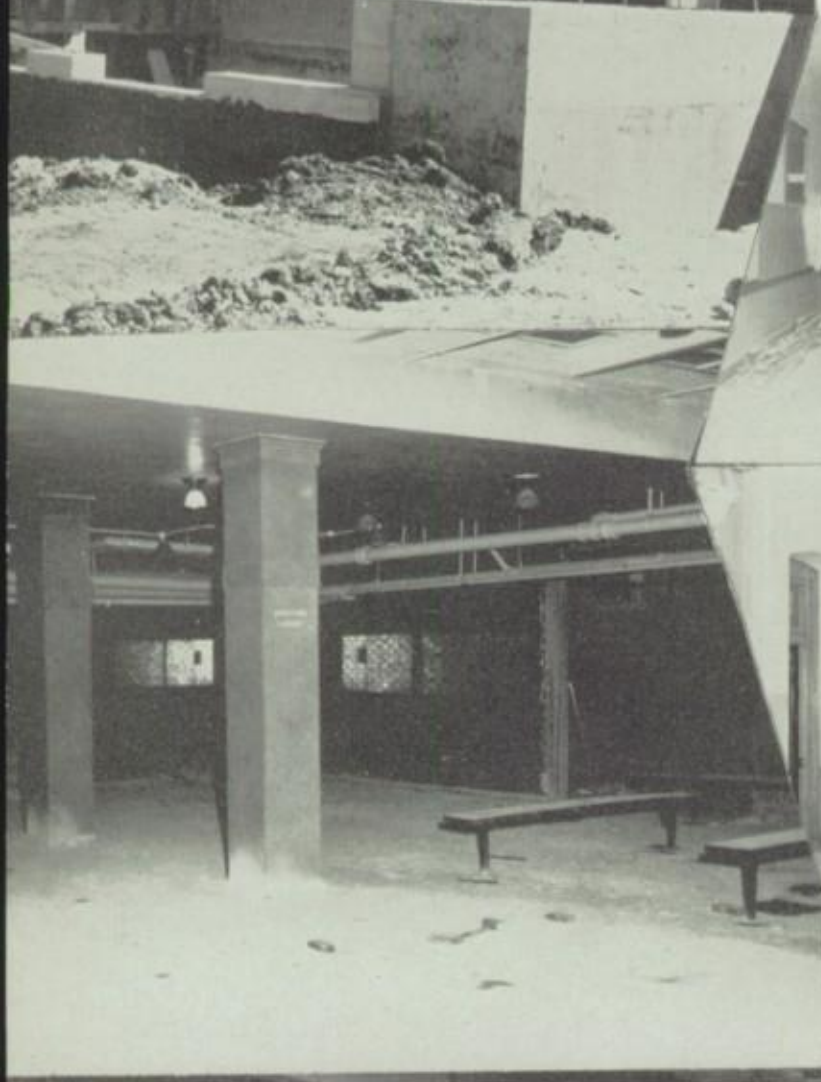
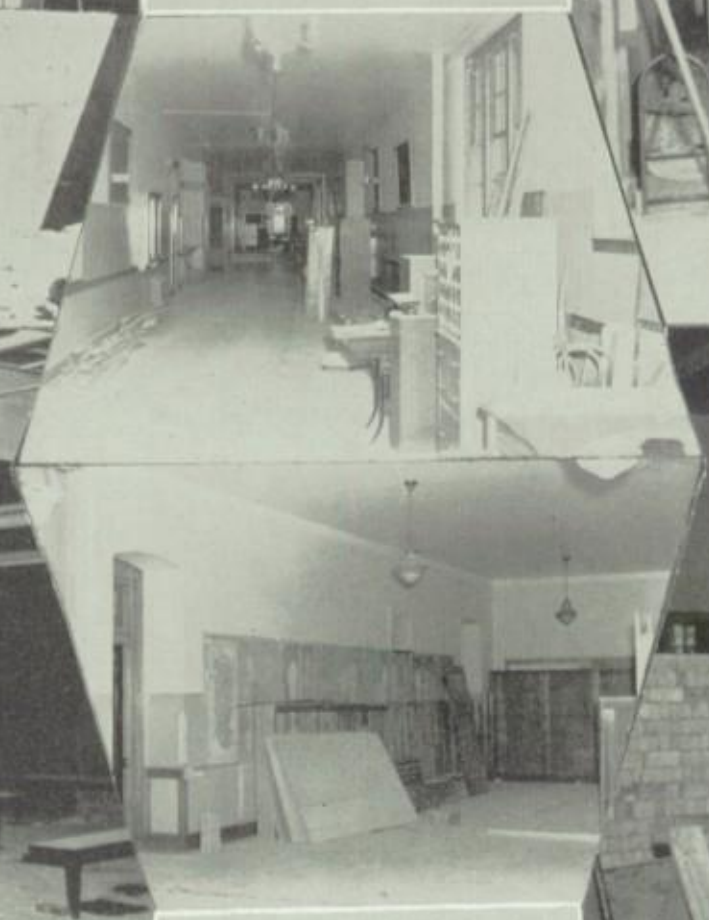
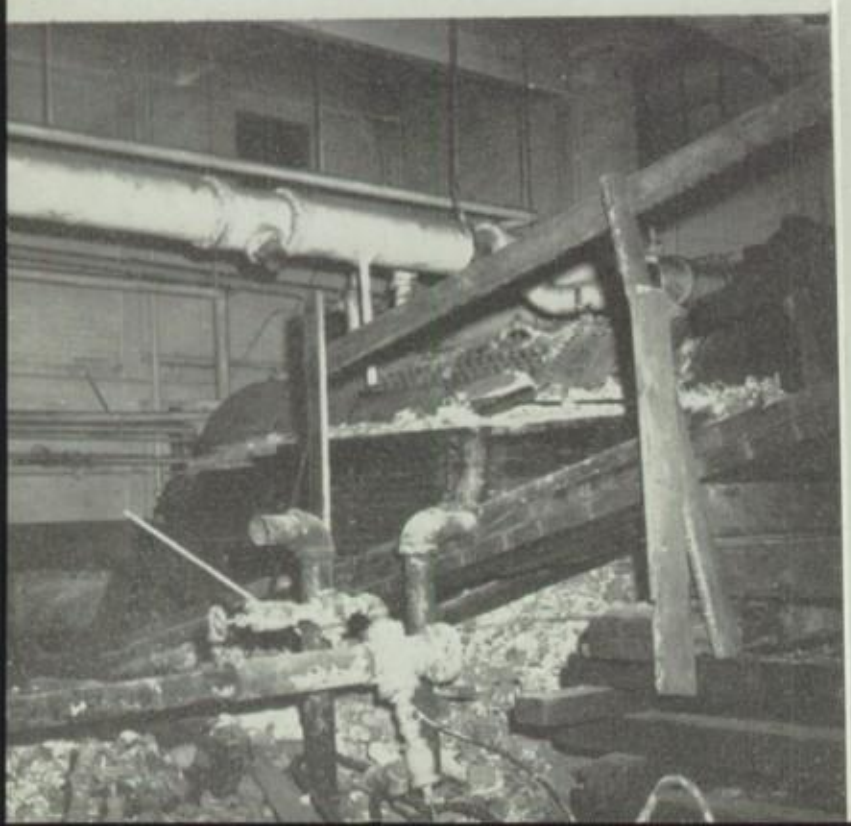
CAREERGUIDE

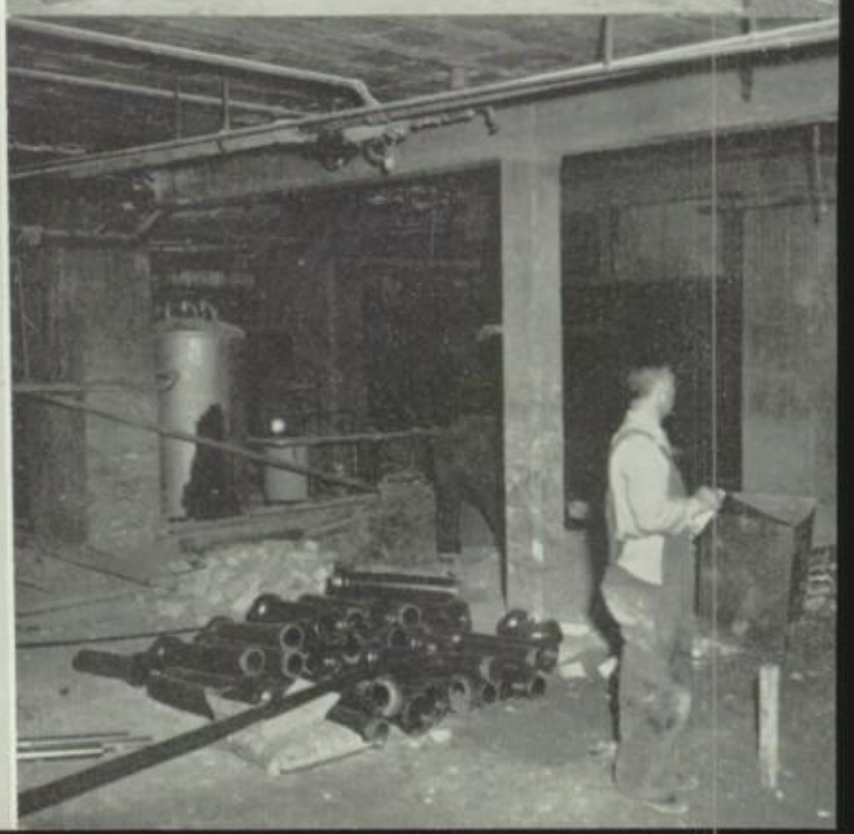












PROGRESS is measured by the length of the span
Realized when taking a backward glance
Of how far we have come from the distant shore —
Gains we have made in reaching our goal.
Reconstruction confirms the vision's ideal —
Essentials requiring both brain and brawn.
Success marks our **PROGRESS** in Fifty-four;
Sights loom ahead on a still farther shore.
